RE: Sole Provider

To Whom It May Concern,

Be GLAD® is the *only endorsed organization* that provides training in the Project GLAD® (Guided Language Acquisition Design) model. Be GLAD® carries the *exclusive endorsement* and approval from both Project GLAD creators, Marcia Brechtel and Linnea Haley, who developed the Project GLAD Model and conducted the field-research with the U.S. Department of Education.

Our trademarked and copyrighted instructional system is the only professional development to carry this official endorsement. We are a United States Department of Education Program of Academic Excellence. There is no other organization that provides endorsed Project GLAD trainings nationally or internationally.

Be GLAD® is eligible for Federal, State and local grants and meets criteria for funding based on the US Department of Education's research into the Project GLAD Model and the US Department of Education's declaration of Project G.L.A.D. being a *Model of Academic Excellence*.

Please let us know if you need any additional information regarding our award-winning training model.

Sincerely,

Noshaba Afzal
Executive Director of Trainings
